

Finish Choice™

by  **T.M. COBB CO.**

Pre-Finished Fiberglass featuring doors by **THERMA-TRU®**
DOORS

Completing the job has never been so easy. Simply choose your finish and let T.M. Cobb do the rest. The complete entry system can be pre-finished and it is backed by a 2-year warranty.

Mahogany

Rich, elegant look of real mahogany wood with fiberglass performance.

English Walnut

A warm Walnut finish makes these doors a perfect compliment to any home.

Light Oak

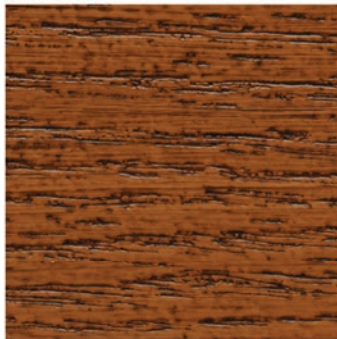

Southwestern and European style with lasting beauty and performance.

Natural Oak

Deep oak grain detail, with long lasting beauty and performance.

Cherry

Few doors stand the test of time like a beautiful Fiber-Classic entryway in a rich cherry finish.

Walnut

Inspired by the craftsman style of the early 1900s. A traditional finish.

AccuGrain™ Technology separates Therma-Tru fiberglass from all the rest.
