

T.M. COBB COMPANIES

One Partner From Spec to Delivery

Most of our competitors specialize in only one part of the process. We at T.M. Cobb Companies bring it all together; providing doors and custom millwork made well, delivered when promised, and backed by real people who know your business.

HALEY BROS.

MANUFACTURING

Quality-crafted wood doors for residential, commercial, and architectural projects while meeting or exceeding industry quality standards.

COBB CUSTOM

MILLWORK

High-craft custom doors and precision millwork for complex specifications and design-driven historical restoration.

T.M. COBB

DISTRIBUTION

Reliable stock and project door distribution throughout California and the Western United States.

Made Right. Delivered Right. Built for Real-World Demands and Delivered On-Time.

T.M. Cobb Companies works with architects, design professionals, builders, general contractors, dealers, and distributors on projects such as:

- Residential multi-family developments, renovation, and new construction projects.
- Custom architectural homes requiring specialty doors and millwork
- Commercial projects requiring specified door packages
- Contractor-driven projects with complex delivery timelines
- Mixed use projects requiring both stocked and custom doors
